The diagram illustrates a graphical user interface for an order form. At the top, a box labeled 700 contains the title 'ORDER FORM' and a section 'Choose goods/services 509'. Below this, there are two selection options: 'Class 1' with an unchecked checkbox 1202, and 'Class 2' with a checked checkbox. To the right of these options are two text input fields. The first field, labeled 1209, is empty. The second field, labeled 1208, contains the text 'Additional text entered here'. Below the 'Class 2' checkbox, a dashed line leads to a detailed view of a selected item. This view shows a list of items: 'paints, varnishes, lacquers', 'preservatives against rust...', and 'coolants...etc.'. The list is contained within a box labeled 1204. The list itself is labeled 1206. The text 'paints, varnishes, lacquers' is labeled 1205. The text 'preservatives against rust...' is labeled 1203. The text 'coolants...etc.' is labeled 1205. A large arrow labeled 1200 points from the 'Class 2' checkbox area towards the detailed view.
